

Hello!

We hope you're well and have had a fantastic May!

We're excited to share what we've been up to at Sky-House Co and to let you know what's coming up next month...

Fox Valley show home now open!

Last month we told you that our show home at Fox Valley was almost ready to make its debut. We're delighted to say that it's now open for viewings!

Additionally, we also have [a 3D virtual tour](#) of the property that you can browse from the comfort of your own home.

The feedback so far has been fantastic and we're so pleased to show you just how beautiful a complete Sky-House can be.

The remaining Fox Valley Sky-House is a 3 bed, 3 bathroom home costing £274,950.

RESI Awards 2022 update

We headed down to London earlier this month to attend the RESI Awards after being shortlisted for the "Best Small Developer" category. Whilst we didn't get to bring home the trophy this year, it was great to be acknowledged and to be up against some great companies. Fingers crossed for next year!

Proud to support Kids Plant Trees

Recently we have partnered up with a local social enterprise called Kids Plant Trees. We want every child in Sheffield to have the opportunity to develop a positive, long-lasting and healthy relationship with nature and we're looking forward to supporting the [important work they do](#) in the city.

We're proudly supporting Oughtibridge Gala

We're big on creating and getting involved with our communities. This year we've teamed up with Oughtibridge Gala and are looking forward to joining in the festivities!

We'll be attending and sponsoring the Oughtibridge Gala on 25th June. We will have a stall and some fun activities to get involved in on the day so make sure you pop by and say hello!
